GREEN LAKE COUNTY SNOWMOBILE MEETING Tuesday, Nov. 18, 1975
Attended by William and Lois Kempsey, Bill Boderick at
the BEL AIR, Green Lake

There had been an ENT program which some of them attended at
the Green Lake courthouse, connected with Madison DNR.

Some of the questions that were brought up were:

Free signs were available, fluorescent paper. Steel signs
were available on a 50-50 basis with DNR.

In a township, for a lightly used town road, you can apply
for DNR funds, signs are available for a SNOWMOBILE ROUTE
in connecting club trails.

Villages with open streets for snowmobiling can get signs,
The city or town must apply for the signs, DNR will pay.

The question was asked, why does it cost more to register
a used snowmobile, or one whose registration has run out, the
answer was it requires 3 times the processing. (\$10. rather
than \$9.)

Green Lake specifies that windshield stickers be on the left-
hand side for identification when passing head on.

There is a six mile trail from Randolph to ~~EXAM~~ Cambria which was
state funded. Harold LeJeune, Portage, was active in securing this.
But coming season submissions are being rejected, in the southern
part of the state.

\$27,000. bridges have been built.

Standards are being lowered.

One club built a 40' bridge for \$100., could be state approved if
Fish Management approved (removable).

There is available for \$1800., a 50' span bridge, arch type, which
can be skidded.

Approved recipracol agreement:

Marquette

Winnebago

Waupaca

Waushara

Fond du Lac (not there)

Columbia (not authorized)

Bev discussed giving free memberships to landowners (payment for use of trail). The AWSO attorney advised that concerning landowners liability (29.68 of Wis. Statutes), any valuable consideration nullifies liability exclusion. A landowner is not liable as long as he has set no traps, no barriers, and received no valuable consideration.

A gift for the prior year is okay.

One club has a raffle drawing for landowners, all are winners.

Some change the name of the Landowners Appreciation Dinner to Snowmobile Appreciation Dinner.

There was discussion as to law enforcement reimbursement for snowmobiling. Deputies wages, 100%, machine maintenance 100%, machine depreciation over 3 year period, radio equipment.

Columbia County wants to deputize 1 member for each club.

Green Lake county has six deputies each club, take ticket to sheriff.

Winnebago county, anyone ~~xxxx~~ could be a deputy if he desired and met the sheriff's specifications.

Winnebago county discussed public relations, has a large map made showing where clubs are located, etc., urging visitors to join clubs.

MARQUETTE COUNTY -- SPECIAL MEETING Jan. 21, 1976

Concerning INSURANCE

All clubs were notified to attend this meeting, plus several insurance agents.

8:25: no insurance men appeared.

Discussion on various companies and cost of coverage

Capitol Indemnity will cover association and clubs for 1688.00.

Waushara county club has 250 miles of trails, cost 1640.

GLENN S: Gene Kobey said our insurance now doesn't cover individual clubs, only association events (thus only our annual association picnic is covered).

Decided each individual club must carry their own insurance from now on.

September 9, 1976

MARQUETTE COUNTY SNOWMOBILE ASSN. meeting. 13 present. 8:15

The new county stickers are here. 1200 ordered per year for the next 4 years, and can order 100 or 200 more at the same price. 50¢ from Green Lake Screening.

Do we have any of last year's stickers to turn in for refund?

Discussion on uniform club membership dues.

WESTFIELD: \$8.00 each machine for the first two machines, \$4.00 for your third. Patch included free for new members. (Does NOT include State Assn. membership.)

OXFORD: \$10.00 first machine. \$1.00 each additional. After Dec. 1, \$5.00 more.

MONTELLO: \$10.00 first machine, \$3.00 each additional. Includes State Assn. membership. After Dec. 1, \$3.00 more.

ENDEAVOR: \$5.00 each machine.

NESHKORO and BRIGGSVILLE absent.

Discussion on Snow Show, Workshop, at Green Bay next weekend. Milton M. may go. He thinks it is unfair the way the registration money is distributed, the county should get a portion returned, like motor vehicle registration money is. Approximately 1900 machines in Marquette County, should get \$1.00 back, county has never received one penny. Our trails are not public, but the public is eligible to join our clubs.

ENDEAVOR FREEDOM RIDERS meeting Nov. 6, 1976

called to order 8:15 at Achies.

Discussion on signs thru Endeavor. Breakaway posts, etc.
Gene Mills will get specs, try to build signs according to
specs as nearly as possible.

Dues the same: \$5.00 per machine.

New members should buy sticker at meeting.

PROJECTS: bridge
 path from Achie's to river
 pines on hutch
 signs for town
